

Tokyo University of Agriculture and Technology (TUAT)
**Recruitment of short visit students for
Leading Graduate School Program**

Leading Graduate School Program (LGP) nurtures global leaders who can bring the innovative changes to break away the current state of energy-depending food production with the advanced knowledge and skills on the theme of “Green and clean food production”.

This time, we would like to welcome some students as short visit students from our partner university, University of Florence, aiming at exchange of academic knowledge with our program students and faculty of TUAT.

1. Activities of short visit program

- Organize and facilitate the workshop with LGP students for making innovation for the food problems in the world.
- Laboratory visit tour at TUAT.

2. Eligible person

- Graduate students who are belonging to University of Florence.
- Those who are able to stay at TUAT in Japan for two weeks in October or November in 2014 which will be appointed by LGP.
- Those who can positively participate and facilitate in related collaborative events in Italy such as workshop or study tours which may be planed after next year.

3. Number of short visit students

Two students

4. Terms of visit

Two weeks in October and/or November, 2014

(Note) The detailed schedule will be informed to participants by July.

5. Expense

LGP will prepare a round-trip air ticket and accommodation, and will provide the cost for meals and domestic transportation in Japan during the program based on rules and regulations of TUAT.

6. Application requirements:

1. Statement of purpose which includes reasons why you apply this program and how you will make use this experience to your study and collaboration between university of Florence and TUAT in future. It should be around 500 words in English.

2 – CV (European format)

3 – interview with the Italian Coordinator of the exchange program

The application form should be submitted by PDF file to e-mail addresses written at the bottom of this guideline by 15:00 on Friday, 30rd May 2014.

7. Process of application and selection

- Dead line of the application: 15:00 on Friday, 30th May 2014
- Screening of application documents: Friday, 6th June 2014
- Interview: middle of June in 2014 at University of Florence
(*Note*) Details will be informed who passed the first screening.
- Notice of the result: by the end of June in 2014 (*Note*) All date and time is Italian local time.

8. Report of result

Participants should submit a report on this program within 2weeks after the program finished.

9. Notice

Please accept in advance that LGP will take pictures or shoot movies during the program and will use them with the sole purpose of the promotion of LGP and TUAT.

10. Application and inquiries
